

**All New Show
for 2021-22!**

Go with the Flow

Livestream Juggling & Magic Water Science Assembly!

The Wastewater Treatment Agencies of Marin County are delighted to offer your school a free, interactive assembly that focuses on wastewater and sewer science issues including proper disposal of fats, oils and greases (FOG), local watersheds, as well as storm drain health.

About Rock Steady Juggling

Educator, environmentalist, and master juggler Doug Nolan will surprise and delight your students (and teachers!) with extraordinary feats of dazzling dexterity and innovative comedy. Doug is an award-winning performer reaching over 50,000 school-aged children Annually for more than 30 years. He has a BA in Environmental Studies and an MFA in Acting.
